## From Ms Keddie...

### Welcome Morning

A huge "Thank you" to all parents, caregivers and friends who came along to our Welcome Morning on Wednesday. It was lovely to see so many people take the opportunity to meet the teachers and take a tour of our school. We received plenty of positive feedback about the quality of our learning spaces and grounds.

If you ever have any questions or concerns, please don't hesitate to make an appointment to speak with your child's teacher. We know that children learn best when parents /caregivers and the school work together and support each other.

### Governing Council AGM

We thank them for volunteering their time and energy to work with our staff and students to make Hampstead Primary School an even better place for your children to be and learn.

# “ROOM 2”

In Room 2 we have been learning all about our number system. We now know that our number system is called Base Ten. Base Ten has digits and we use digits to make numerals.

We also found out that numerals are used to represent numbers in written form.

We made posters to explain digits, numerals, number names and number.

We have had a great time investigating our number system.
