June 10th
Public Holiday
Queen's Birthday

June 5th
Botanic Gardens Excursion
Rm 12 & Rm 17

From Ms Keddie...

SSO WEEK

May 13th – 17th our staff celebrated SSO WEEK. This is a time for us to acknowledge all of our non-teaching staff who do so much for our students:

DIRECTLY:

By working with small groups of or individual students for learning and language support.

INDIRECTLY:

- * By providing admin support to staff
- * Managing school finances
- * Providing first aid to students
- * Managing school equipment
- * Maintaining our grounds and facilities
- * Ensuring our library facilities are top

We are very fortunate to have such high quality ancillary staff in our school who are all totally committed to making our school the best place for learning for every student. We really appreciate everything they do!

NATIONAL VOLUNTEER WEEK

May 20th – 24th was National Volunteer Week. We are incredibly lucky to have so many highly committed volunteers in our school. Our volunteers support our students in many different roles, including:

- * Being members of Governing Council
- * Listening to reading
- * Providing craft activities
- * Helping in the kitchen and garden
- * Supporting in the library
- * Mentoring individual students

Some of our Volunteers attended a morning tea hosted by the Minister for Education on Wednesday May 22nd. All volunteers were invited to a special morning tea at school last Friday. We cant thank our volunteers enough!

Adelaide Crows Visit

On Tuesday 14th of May we were lucky enough to have the Adelaide Crows football club come out to our school to deliver their Growing with Gratitude program to all classes. The students were really excited to see Claude the Crow and participate in the quiz. Students answered the questions so well that they won lots of prizes including a football signed by the current Adelaide Crows players. The students learnt about the 5 Positive Places. These included *school is cool*, *dare to dream*, *life at home*, *fabulous friends* and *super sports*. We all had a great time and came away feeling very positive. We hope they can come back and visit us soon.

Uleybury School Museum

On Tuesday of Week 4, Room 2 and 14 visited the Uleybury School Museum. The students experienced what it was like to go to school in the early 1900's. Our students sat at tables in rows and had a go at writing on slate, using quills and ink wells. We asked the caretaker lots of questions and made comparisons between the past and present day. When the students weren't in the classroom they were out in the shed playing with toys from the past. They played with hoops, puppets and cash registers, but the crowd favourite was the go carts. Everyone had some much fun racing them down the driveway. All the students had such a great time and have asked to go back again.

Student Leaders

Our student Leaders have been meeting with their teams to discuss issues and ideas around their area – Environment, Fundraising, STEM and Inquiry, Student Wellbeing, Sports and School activities and Whole School Events. The leaders will be surveying students across the school next week to find out their ideas and opinions. All teams have some fantastic things they are planning, including presenting information to students during assemblies and preparing lots of different activities for students at play times.

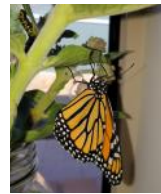

RESPECT

CARE

PERSONAL GROWTH

What's been happening in Room 14!

In Room 14, we have watched the lifecycle of a Monarch Butterfly in our very own classroom! We were able to connect our learning to a range of topics through this experience such as noticing and pattern, lifecycles, art, insects and timelines. Some of us even created stop motion movies about butterflies with Mrs Palmer.

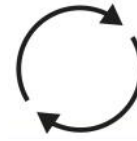

Adult butterfly

Caterpillar (Larva)

Cocoon (Chrysalis)

Caterpillar preparing to pupate

Cocoon starts to crack. Soon the butterfly

This term we started learning about 3D Shapes. We are currently in the 'Exploring' phase of our learning and have been building our own 3D shapes using a range of materials. We have loved bringing our learning outside, building our own 3D shapes and models out of natural materials.

Last week we had a visit from the Adelaide Crows. They held a great assembly all about Positivity and Gratitude. Later that day we learned some new footy skills. It was so much fun!

Information Session

Introducing Happy Haven OSHC Hampstead Primary School

"Where children learning through play"

Our Program

Our program provides a safe, fun & healthy environment for children. Happy Haven OSHC encourages play based learning and also presents opportunities to develop life skills through activities, such as cooking and gardening.

The program is largely influenced by our OSHC values, Leadership, Responsibility, Community & Freedom.

Happy Haven are excited to be partnering with Hampstead Primary School as your new OSHC Provider! We will be commencing Monday July 22nd, offering Before and After School Care, Pupil Free Days and Vacation Care.

Information sessions will be held at the school Thursday May 30th at 2:30pm, 3:30pm & 5:30pm

We will also be hosting a sausage sizzle!

Before School Care

- Healthy Breakfasts
- Relaxed "at home" atmosphere
- Cooking & Crafts
- Indoor & Outdoor Play
- Plus more...

After School Care

- Two nutritious snacks
- Cooking & Crafts
- Indoor & Outdoor Play
- Organised games
- Sports
- Technology
- Plus more...

Vacation Care & Pupil Free Days

- Exciting excursions
- Fun themed days
- Creative activities
- Camps & Sleepovers

If you have questions prior to these information sessions please feel free to contact us on 81555444

PARENTS: DOES ANY OF THIS SOUND FAMILIAR?

- Your child: often worries/ gets anxious
- Gets frustrated easily or struggles with following instructions
- Has difficulty with friends or at school
- May be diagnosed with ASD, anxiety, ADHD or another disorder but regardless often finds *life tough going*.

CALM KID CENTRAL CAN HELP!

WE HELP CHILDREN 'WITH BIG FEELINGS' FEEL CALM AND CO-OPERATIVE
