### NETBALL NEWS

Good luck to our students competing in the netball carnival today. Many thanks to Amy Wood for organising it.

## National Reconciliation Week

National Reconciliation Week is a time for all Australians to learn about our shared histories, cultures and achievements whilst exploring how each of us can contribute to achieving reconciliation in Australia. Across our school, classes engaged in learning related to Reconciliation and Aboriginal Perspectives in a range of curriculum areas. It was evident that our students gained much from their learning activities throughout the week, with students sharing their learning achievements with peers, staff and families during assembly. Hampstead has an ongoing commitment to creating a community where each individual feels understood, valued and respected. National reconciliation starts with education.

## Optus Crows Cup

Recently our Year 6/ 7 students were invited to participate in the Optus Crows Cup—an interschool football carnival. Mrs Barker, along with two pre-service teachers, took a team of 9 girls and 10 boys to St Domenic’s Oval. Playing against 9 other schools in the area, there was a total of 19 male teams and 19 female teams. Hampstead Primary is so proud of our two teams, who played their hearts out and placed in the top 8. Our girls team came 8th and our boys placed 6th. Both teams experienced some wins and losses but more importantly they had a great time taking on new challenges and playing with their friends. Mirakii was lucky enough to score an interview with the Crows media team and represented our school with confidence and pride. When asked about her experience Mirakii stated:

*“I’m very proud of my teammates because they took some convincing to come out but now, they are really enjoying it and I think some will start playing football like me.”*

This was a great opportunity for our students and everyone should be proud of the level of sportsmanship our players showed. Our students should feel proud of their outstanding efforts.
