STEM facilities
Official opening

From Ms Keddie...

This term has begun on a very positive note with our students enjoying our updated facilities. Our Specialist Science teachers – Sarah Robertson and Jess Barker make a great team and are providing our students with learning opportunities in science that stretch their thinking and inquiry skills.

Several exciting excursions are planned for this term – more information will come to you as needed.

Book Week is next week – we will have a visit from Phil Cummings—a well known South Australian author whose picture book, *Boy* is on the CBCA shortlist this year. On Friday, August 31st we invite staff and students to come dressed as their favourite book character. We will have a parade after assembly at around 9:30am.

Open Morning will be Wednesday, September 19th. More details to come. We invite all families and friends to come and join us and have a look around our school.

Lost Property

Just a reminder to all families to please make sure that any clothing, lunchboxes, bags etc. that come to school are labelled with your child's name.

Our lost property box in the Front Office is currently overflowing— we have had quite a few jackets handed in. Please visit Anne in the Front Office if you think any of the lost property items may belong to you.

Greenacres Library Exhibition

Our art exhibition at Greenacres Library finishes on August 31st. The collection showcases art work from students from years Reception to 7. We highly encourage families to call in for a visit and see the hard work, creativity and skills of our students first hand.

HOW TO ORDER SUBWAY ONLINE FOR YOUR CHILD

For quicker, hassle-free school payments, try Qkr! today

Introducing Qkr! (pronounced 'quicker') by Mastercard, the secure and easy way to order and pay for school items from your phone at a time and place that suits you.

With Qkr you can:

- Pay for a variety of school items;
- See your receipts on the app and get them sent by email if required.

Getting started is easy - try it yourself today

Step 1 Download Qkr!
on your Android phone or iPhone. iPad users can download iPhone app

Step 2 Register
Select your Country of Residence as 'Australia' and follow the steps to register

Step 3 Find our school
Our school will appear in 'Nearby Locations' if you're within 10kms of the school, or search for our school by name.

Step 4 Register your children
When first accessing our school you will be prompted to add a student profile for your child. This allows you to make orders and payments for them.

Add your children's details in Student Profiles

Select 'Add student profile'

Add each child's details

Manage each child's details in Student Profiles

Purchase school items

Select a menu from our school

Select child you are ordering for

Select your items

Tap 'Checkout' then confirm and pay

Making payments

Add up to 5 cards to your wallet

At checkout select which card to pay with.

Pay with any cards accepted by the school.

Once your payment is approved you can continue to the home page, or view your receipt.

CARE

PERSONAL GROWTH

STEM in Room 14

Room 14 have bounced back into Term 3 with loads of energy and excitement. In week 1 we got straight into our new inquiry project based around our Junior Primary play area and how we can improve it to make it a better place to learn and play. Already we have been out to test the space and found that although we liked some things, there were some things that we could improve. Now we need to think about how we can make this happen!

Emisyn thought the swings were great!

Perhaps the grass could use some extra love!

We thought our bench could do with a coat of paint! Maybe rainbow??

Coper and Kade love the sandpit and slide. It's always good fun!

Week 3 Book Sale

During week 3 Hampstead Primary School held a second hand book sale. We were able to buy second hand library books that we no longer needed in our library for a cost of 50cents each. We raised a total of \$140 And the money raised will go towards helping the farmers suffering from the drought. What a great way to raise money!

TERM 3 JUNIOR SQUASH PROGRAM
