Lost Property

Just a reminder to all families to please make sure
that any clothing, lunchboxes, bags etc. that come
to school are labelled with your child's name.

Our lost property box in the Front Office is
currently overflowing— we have had quite a few
jackets handed in. Please visit Anne in the Front
Office if you think any of the lost property items
may belong to you.

South Aussie with Cosi

Our students in Rooms 13 and 14 were lucky enough to win an experience with native animals from Wilbur's Wildlife. Cosi from South Aussie with Cosi ran the competition. Here's the thank you message he wrote to our Hampstead students.

Thank you Hampstead Primary School for your lovely card! Miss Robertson's class won a competition on my Facebook prize on my page where they had Wilbur's Wildlife bring the animals into their class !! How cool!

OPEN MORNING

Families and friends are welcome to visit our school on **Tuesday Sept 24th.**

Learning spaces will be open from 9:00am –10:15am, followed by a **morning tea** for visitors in our Stephanie Alexander Garden area.

Guided tours will be at 9:15am.

We look forward to seeing you here!

national science week 2019

Dear families,

Hampstead Primary School will be celebrating Science Week by holding a whole school Science Fair. The students of Rooms 5 and 7 will be displaying their knowledge to the school community from the research they have explored from scientific questions of their choice. They will present their research along with experiments / activities for the younger students at our school. Essentially, they will be the teachers for the day, and we would like to invite you to celebrate this event with us.

Date: Friday 20th September

Time: 11 am - 12.30 pm.

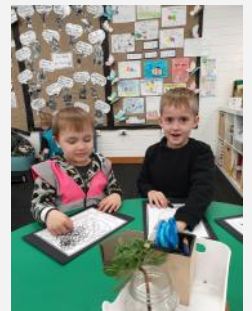

Location: STEM Building

What's been happening in Room 14..

We have been inquiring into Measurement.

We have been learning so much about measurement this term! We have been measuring speed, depth, width, height, distance and capacity to find out things like how high can we go on the see saw? How many seconds can we balance on the balance beam? How much sand and water do we need to make sand balls? We are having a great time.

Emali Pre-school visit

On Wednesday morning rooms 13, 14 and 17 had a visit from the children at Emali Childcare Centre.. Together we read a book about friendship and did some fun activities in our classrooms. The students were great role models to our younger buddies and were very helpful and responsible. We all had a great time and look forward to seeing them again.

Our school has its own **Skoolbag App** to help us communicate more effectively with our Parent community. All school notices will be uploaded to the app.

iPhone users can install it by searching for our school name "Hampstead Primary School" in the Apple App Store.

Android users can install the app by going to the Play store and searching for Hampstead Primary School.
