@9:00am in Staff Room

**November 30th**  
Science Fair

**December 5th**  
Celebration Night

**December 7th**  
Year 7 Graduation

## From Ms Keddie...

### A Visit from the Minister for Education

Last Friday the Minister for Education, John Gardner visited our school to officially open our new STEM learning facilities.

Along with the Minister were:

*Dana Wortley, our local Member of Parliament*

*Paul Newman, our Education Director  
Members of our Governing Council*

*Jacobus Pienaar, the Architect*

*Tony Foster, from the Department for Education Capital Works.*

Our guests toured our new spaces and chatted with students about their learning. Students hosted a short assembly, where The Minister spoke about how impressed he was with our school facilities and the conduct of our students.

### NAMING COMPETITION

We would like a new name for our Science, Technology, Engineering and Maths learning space. We invite families to enter the competition by nominating a name for our space. All entries will be considered.

There will be a prize for the winning family so put your thinking caps on!

Our school has its own **Skoolbag App** to help us communicate more effectively with our Parent community. All school notices will be uploaded to the app.

**iPhone users** can install it by searching for our school name "Hampstead Primary School" in the Apple App Store.

**Android users** can install the app by going to the Play store and searching for Hampstead Primary School.

## CONGRATULATIONS Yuming (Lucy) Zhang

Our Lady of the Sacred Heart College congratulates Yuming (Lucy) Zhang, former student of Hampstead Primary School on receiving an Oliphant Science Award. Lucy along with two other OLSH College senior students were awarded second prize for their innovative biology game in the Games Category.

## Receive the Newsletter via email

Does the newsletter get lost, dirty or misplaced?  
To ensure you receive the newsletter every fortnight please email the school at:

[dl.0689.info@schools.sa.edu.au](mailto:dl.0689.info@schools.sa.edu.au)

with your email address and it will be emailed to you.

# Room 2 News!

We have had a very exciting start to the term. Last term we worked on an inquiry project around re-designing our nature play area. It started as an individual inquiry project and we then merged all of our ideas together to come up with one final design. We were busy finishing this off during week 1 this term.

This inquiry project involved a lot of math including measurement, money and data collection. We worked hard and put together our final design. We loved it so much that we decided to enter it into the PMA (Primary Mathematics Association) Powerful Learners: Mathematics & Numeracy Challenge. This is a state wide challenge with lots of schools entering.....and we won STATE WINNER for our year level. We were so excited and it was great to have recognition for our math learning journey. We have been invited to accept our award from the Minister of Education at a special ceremony in November.
