From Ms Sarah...

Introducing our 2019 Student Leaders

This year we are trialling a new structure for student leadership at Hampstead Primary. All year 6 and 7 students have elected to be a member of a student team, with a focus on different areas within the school; Whole School Events, Fundraising, STEM, Student Well-being, Sports and School Activities and Environment. These teams link closely with staff committees and students and staff will be working closely with each other in these areas. All students across the school will have input into decision making, by providing feedback and suggestions to the teams.

Leaders as in photo: Pavin, Quan, Jaiden, Victoria, Zahara, Mirakii, Hadis, Charlie, **Back row:** Jashan, Frankie, Leo
Absent: Eddie

Each student team has two student leaders, who are responsible for leading their team in projects and events. The team leaders were selected through an application process and they will attend leadership training throughout the year. This week they began their training by attending the GRIP Student Leadership Conference at the Entertainment Centre. Look out for more information and updates from the student leaders in coming newsletters.

Celebrating Cultural Diversity

Our whole school celebration of cultural diversity last week was well attended and enjoyed by all. Thank you to the many families who came along to join in the celebrations and share the wonderful morning teas happening across the school. It was a fantastic day enjoyed by all.

Mainstream Student—Parent/caregiver—Teacher Discussions

Please remember to book an interview time with your child's teacher for the opportunity to share information and hear about your child's learning. Interviews will be running for the next two weeks beginning next Monday the 25th March. Information on how to book went home last week and is available from your child's teacher.

Celebrating Cultural Diversity

Students, families and staff celebrated our school's cultural diversity by showcasing their traditional dress. During morning assembly Room 12 students sang hello to everybody in eleven different languages! While students from Room 5 and 6 performed a dance to Bollywood song "London Thumakda".

Our shared morning tea quickly became a feast with so many families contributing a platter of traditional food. There were many yummy flavours and many opportunities for our students to try something new. A big thank you to everyone who helped make the morning such a success.

Swimming Week

Hampstead Primary students are certainly feeling tired after a long, yet successful week of swimming lessons. Thank you to all of the DECD swimming instructors at Payneham Swimming Centre who taught our students swimming strokes, water safety, rescues, and allowed our students to practise feeling calm and confident in and around water.

RESPECT

CARE

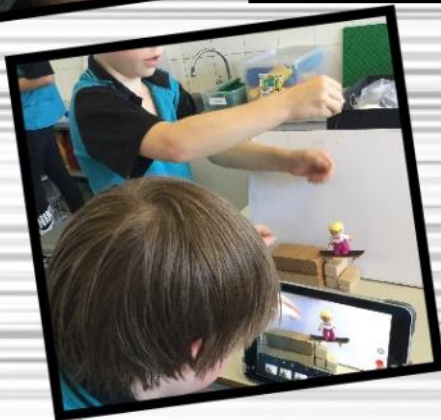

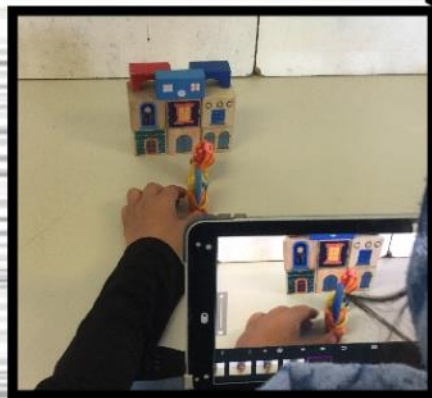

PERSONAL GROWTH

MEDIA ARTS

MANY CLASSES HAVE BEEN BUSY MAKING MOVIES USING THE APP STOP MOTION. WE HAVE HAD A STRONG FOCUS ON STORY PLOTS AND CHARACTERS. WE HAVE BEEN EXPORTING INTO IMOVIE AND MAKING MUSIC ON GARAGE BAND TO BRING THE MOVIE ALL TOGETHER.

STOP MOTION

CREATIVITY

STOP MOTION IS A FREE APP THAT IS ABLE TO BE DOWNLOADED ONTO APPLE DEVICES. DOWNLOAD IT AND HAVE FUN CREATING MOVIES WITH YOUR CHILD AT HOME.
