## From Ms Keddie...

### WELCOME BACK

Welcome back to all our families and a very warm welcome to our new students this term. The term has begun very well with all students settling quickly into their learning routines.

### REMINDERS:

Lesson 1 begins promptly at 8:45am. Please ensure your children arrive on time and ready to begin their learning at 8:45am. This term our Drop Everything and Read program will be from 10:45 -11:00 am Monday –Thursday.

Monday August 5th – students with permission will be involved in a free eye sight screen. If you have not yet returned your permission slip – please do so NO LATER THAN Friday August 2nd.

We are looking forward to an action packed Term 3, some highlights will be:

- The NED Show
- Dan McGuiness Author Visit
- Book Week
- Science Week
- Science Fair
- Class excursions.

### OSHC

Our Out of School Hours Care program has begun and is operating every day both before and after school. Information re enrolling is available at:

[hampstead@happyhaven.sa.edu.au](mailto:hampstead@happyhaven.sa.edu.au)

PH: 8155 5444

## Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005*, in line with the *NCCD guidelines (2019)*.

If your child is identified in the collection the required information will be included in this year's data collection. The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified.

Further information about the NCCD can be found on the [NCCD Portal \(https://www.nccd.edu.au\)](https://www.nccd.edu.au) or please feel free to contact the school.

## Basketball

On Thursday 25th of July, Mrs Barker took a group of year 6/7 boys and 6/7 girls to a basketball carnival at Wayville Basketball Stadium. Over the course of the day both teams played six fifteen minute games against a number of different schools. The boys started the day with a win and continued to improve with the help of their coach every game. The girls team, which only had 5 players, played their hearts out and showed so much improvement throughout the day. The Hampstead community should be proud of both teams from the way they played to how well they encouraged each other on and off the court.

Invites you to join us for our school.....

# FUN FAIR

AUGUST  
**17**

# Reading with Room 12

It is very important for us to practise our reading as often as we can. Every day we read during D.E.A.R. time. We love having the older STARForce students come and help us while we read. They are patient and have all sorts of fun reading activities for us to join in with.

During our library time we return and borrow our books. We practise using our decision making skills and our information skills to find the perfect book to read. We love listening to Miss Ashlea read us a story each visit. We are very good at looking at clues and guessing what is going to happen in the story, before we have even read it!

Our class have been very fortunate to work with Windsor Gardens Bunnings this term. Bunnings have donated their time and materials to teach us new building skills. We learnt how to assemble a tool box and how to use a hammer safely to secure our tool box with nails. We are very proud of what we have built!

## Building our skills
