Yr 7 Graduation

From Ms Keddie...

Welcome back to all our returning families and students! A warm welcome to our new students and families. Term 4 will, as usual be action packed and always goes by so quickly. Our staff and students have planned a wide variety of learning experiences for our students – please make sure your child/ren attend every day so they do not miss out.

OUTSTANDING SUCCESS

READING

Hampstead Primary School is one of just 55 schools from across the state that has achieved outstanding participation in the Premiers Reading Challenge. This is a wonderful acknowledgement of all the reading our students do at school and at home. Two students will be selected to attend the presentation and be given our award from the Premier and Minister of Education.

This is a wonderful opportunity for two students to represent our school.

MATHS

Our Year 4/5 class (Room 7) entered the Primary Maths Association Powerful Learners Challenge this year. They have been awarded STATE WINNERS!!! This is the fourth year in a row Hampstead Primary School has achieved awards in this competition. This is an acknowledgement of the high quality teaching and learning programs we offer here and the high levels of engagement our students have in their learning.

CONGRATULATIONS MRS WOOD AND ROOM 7 STUDENTS!!

Woolworths Earn and Learn

A big thank you to the many families who took the time to collect and send in their stickers for the Woolworth's Earn & Learn program. With the contributions from our school community we were able to purchase new sports equipment and junior primary play resources. Our students are already very keen to start using these exciting resources at school.

Our New School Mural

Thank you to artist, Seb Humphreys for creating our new school mural. Doesn't it look fantastic!

Notice of Materials and Services Charges for 2020

2020 SCHOOL FEES

The Governing Council has determined the Material and Services charges for 2020 will remain at \$244. Extra-curricular activities such as camps, excursions, aquatics and swimming will be charged separately.

The Department for Education has outlined a process for schools to determine Material and Services charges for 2020 as per legislation.

Approval for the attached "Notice" has been given by the Department for Education and we now wish to inform the school community of the Governing Council meeting in which the charge is to be formally approved.

The Governing Council Meeting will be held in the staffroom on 20th November 2019. Parents are invited to attend where parents will have the opportunity to express any concerns.

Hampstead Primary School - 0689

Room 12 Term 4 2019 - IELP years 2/3

Last term we learnt about animals and we had a visit from Wilbur's Wildlife. We wrote recounts about this visit and we also wrote Information reports on some Australian animals.

Urrbrae Farm excursion: This term we will continue our learning about animals and focus on Farm animals. In week 4 we are visiting Urrbrae Agricultural High School for a farm tour.

Our wonder wall

STEM – Last term we made rockets in our classroom and balloon cars with room 7. We also had a Bunnings workshop in our classroom to make toolboxes and we made models of the Australian bush with animals.

MATHS:

Maths with Smarties was a good way to learn about sorting colours, chance and graphing data.

We made sandwiches too and cut them into fractions.

YOGA

We do yoga every Friday. We all love yoga and are getting better at it.

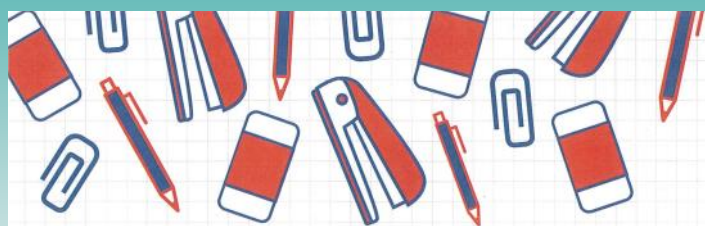

HASS: This term we are learning about celebrations. We had a Birthday party this week for students who had their birthday in the holidays.

We will also learn a little about the Moon Lantern Festival, Loy Kratong, Diwali, Eid, Halloween, Carnivale, Hannukah and Christmas celebrations this term.
