Term 1

Jan 28th - April 9th

A very warm welcome back to our returning students and families and a welcome to Hampstead Primary School to our new students and their families.

It is a pleasure to report that, in spite of the fire at our school we have been able to begin the school year as normal with no disruption to learning programs.

All students have settled in well to their new or returning classes and learning programs have begun in earnest.

During the holidays we have also:

Re landscaped the JP outdoor learning area—this was planned by the 2019 room 14 students. There is still some planting to go on—but it looks amazing and has provided the JP students with some wonderful areas to explore.

The exterior of the JP /Library building has been painted, along with some additional external walls.

Landscaping has been updated in the West Wing courtyard and several improvements to the oval.

### Nominations

Please note:

Nominations should be submitted in writing no later than Monday March 2nd 2020.

Nomination forms will be available from the Administration Office or can be sent home if requested.

# Meet The Students From The Library Wing!

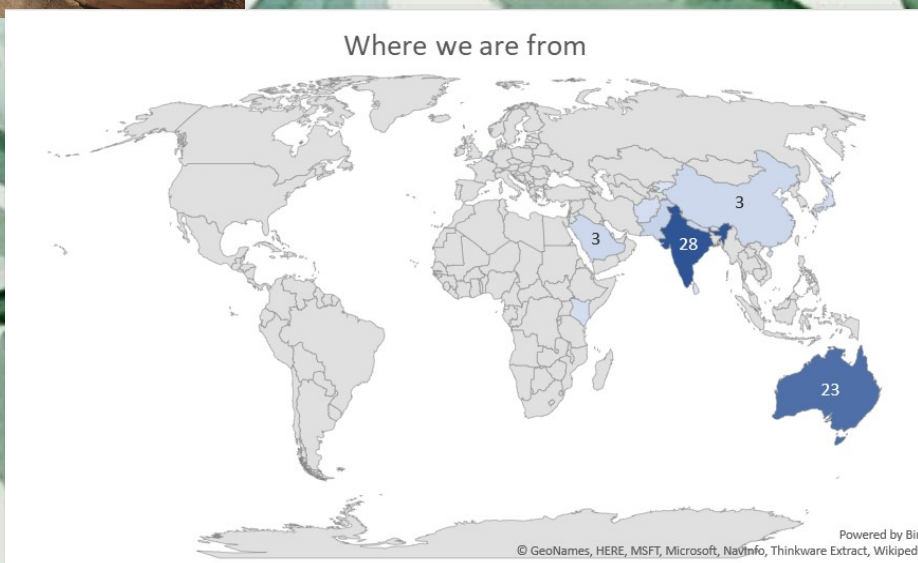

Meet our junior primary and primary students from rooms 12, 13, 14, 16 and 17.

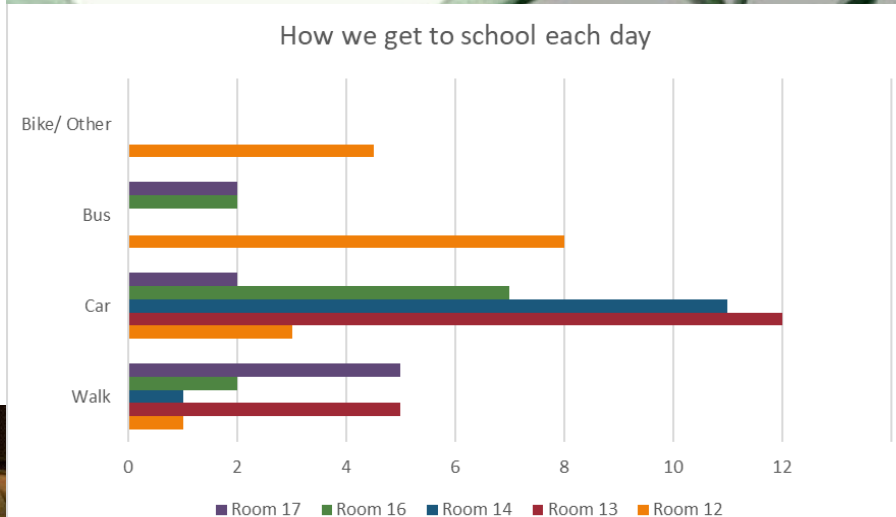

Getting to know each other...

During the first term the junior primary classes will be getting to know each other through a range of activities. We started week 1 by each answering 3 getting to know you questions. This week we will go on a picnic together.
