

Term 1 Overview Room 14

Inquiry Focus

(STEM, Geography, Literacy, Health)

What are the effects of the Australian Bushfires to:

- Australian Wildlife
- People
- Our Planet
- What we can do to help
- Caring for Wildlife through play

Mathematics

This term we will be building the foundation for Mathematics learning this year..

We will be looking into:

- What is Mathematics and where our number system came from
- What it means to think and act as a Mathematician
- Sparking curiosity and engagement in Mathematics
- Pattern and Noticing: Making and recognising patterns with objects, sounds, numbers.

Science With Mr M

This term the students will be learning about Earth & Space Science, where they will explore and investigate changes that can be large or small and happen quickly or slowly in their local environment.

Child Protection Curriculum

- Feelings
- What is Safe
- Early Warning Signs
- Risk Taking
- Links to Bushfire safety

Health & Physical Education

Team building games with a focus on developing fair playing behaviours, self confidence, encouragement of others, safety and the importance of physical exercise.

Literacy

Writing

Book Making: Students become authors and illustrators of texts of their choice. Along the way they are supported and challenged to take risks in their learning.

Phonics and Grammar

Reading

Read to Self (DEAR)

Partner Reading

Whole Class Reading (Modelled)

Guided Reading

The Arts With Mrs Palmer

In the Arts this term the focus is on Media Arts and Drama where students will be using digital technologies to create stories with a strong focus on characters and setting.
